- Champagne Rhinestone Basic Jewels (151193)
- Stamparatus (146276) plus Small Grid Paper (149621)

All images © 1990-2021 Stampin' Up!®

Measurements:

- Basic Black Card Base: 8-1/2" x 5-1/2", scored at 4-1/4" on the long side
- Granny Apple Green: 4" x 5-1/4", 1" x 2-1/4" for greeting
- Basic White: 3-3/4" x 5" plus 4" x 5-1/4" liner for inside
- Linen Thread: 18"

Instructions:

1. Position the grid paper on the Stamparatus surface and place the 3-3/4" x 5" Basic White paper on the grid near the top and centered. Add a magnet to the top edge of the paper making sure that the bottom edge of the paper is on a dark line on the grid paper (signifying a full 1" mark).
2. Place the bow tie stamp upside down on the Basic White card stock centered and very close to the bottom edge of the paper.
3. Insert one of the acrylic Stamparatus place in the top of the Stamparatus **2 hinge marks from the left** (this is very IMPORTANT) and swing the plate down and press on the stamp to temporarily adhere to the plate.
4. Swing the Stamparatus Plate back up and add Tuxedo Black Memento Ink to the stamp. Stamp onto the Basic White layer.
5. Move the Stamparatus Plate to the far left hinge and apply Tuxedo Black Memento Ink again and stamp. Quickly remove the plate and move 4 hinges to the right and stamp again (you don't need to reapply ink as you stamped half of the bow tie and now are stamping the remaining side).
6. Move your card one full 1" down on the horizontal grid (this is the dark lines).
7. Move the Stamparatus Plate to the 2nd hinge on the top of the Stamparatus and apply ink and stamp the bow tie image.
8. Move the Stamparatus Plate 2 hinges to the right and apply ink and stamp again.
9. Repeat Steps 4-8 to fill the entire Basic White card stock piece (see video on my blog or FB).

- 10.** Colour the bow tie in the second line of bow ties on the left side (see picture) with Blends markers (I used the Light Crumb Cake Blends to add shading to the outside of the bow tie).
- 11.** Stamp the greeting on the 1" x 2-1/4" piece of Granny Apple Green and punch the banner shape on the left side of this piece.
- 12.** Add Stampin' Seal to the center of the back of this piece. Wrap the Linen Thread several times over 4 of your fingers and apply to the back of the greeting banner.
- 13.** Add Stampin' Dimensionals to the back of the greeting banner and add to the card front.
- 14.** Use Stampin' Seal to adhere the stamped layer to the Granny Apple Green layer and then onto the Basic Black card front.
- 15.** Glue the Basic White inside layer to the inside of the card, stamping as desired.
- 16.** Add your personalized greeting to the inside of the card; stamp an envelope as desired and give to someone special in your life. Everybody needs a little love in their mailbox!
