Instructions:

1. Using Stampin' Seal, adhere the striped DSP to the front of the card.
2. Using Tuxedo Black Memento Ink, stamp the penguin image in all four corners of the 3" square of Basic White card stock. (See picture for placement: approximately 1/4" inch from each corner).
3. Stamp the beak image on each penguin using Mango Medley ink.
4. Stamp the bow tie image on each penguin using Highland Heather ink.
5. Add Stampin' Dimensionals to the back of the Gorgeous Grape 3-7/8" x 4" panel, keeping the 3-7/8" x 4" measurement horizontal and the 4" measurement in portrait position (see picture).
6. Use Gorgeous Grape ink to stamp the "To the Coolest Friend Ever" greeting on the 3/8" x 2-7/8" piece of Gorgeous Grape card stock and trim the right and left edges on a slant.
7. Use a Sponge Dauber to add Highland Heather ink to the Be Dazzling Specialty paper strip.
8. Using Paper Snips, trim the 4 corners of the stamped piece of Basic White by cutting just below the line indicating the bottom of the penguin shape. Add Stampin' Dimensionals to the back of this panel and add to the Gorgeous Grape layer.
9. Use Mini Stampin' Dimensionals to add the greeting to the front of the card.
10. If desired, stamp a penguin image along with beak and bow tie to the inside of the card and to the front of an envelope. Optional: add a piece of DSP to the envelope flap and trim excess if desired.
11. Add your personalized greeting to the inside of the card; stamp an envelope as desired and give to someone special in your life. Everybody needs a little love in their mailbox!
